SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I'm writing to thank you for a hot pictorial with Louisa and Taylor in your last issue. But still, there's not enough girl-on-girl action for me. Cm'on guys, lets get some more lesbian photo sets and movies in your rotation. I don't care if it's only two girls, three girls or more girls. I don't even care if there is a guy in the shots, just be sure that there are at least two girls and they are doing it to themselves, too, if there is a guy. I know there has to be a mix of stuff in your magazine, but to have only one girl-on-girl set, or worse, none, is a crime against all us hot-blooded American men. I say there's gotta be at least three girl-on-girl sets. You can do it...

– Dennis, TX

Thank you for responding to my letter to see a hot pictorial of Kayden Kross. I'm so hot for KayKay (that's my little nickname for her when I watch her getting fucked in her movies), I almost creamed my pants when I walked by your issue on the newsstand. All I could see was her face behind the plastic, but I instantly knew that it was her. I bought two copies. You know, one for now and one for later. I took them home and ripped one out of its bag (obviously, the other is for posterity) and unzipped. What I found inside the issue was a spectacular looking woman that is in all my dreams. She is toned, sexy and truly erotic. But it's not just her body, it's her facial expressions and sexual attitude that rocks my world. It took me almost a half hour to get through the pages. Now it's on to the online video. Thanks again, KayKay, for making my day.

I WAS VERY THIRSTY TODAY

ARE ALL THE BLOW JOB QUEENS AS GOOD AS THEY SAY?

You've heard it' we've heard it: 'I give the best blow jobs on the planet!' Hot women boasting that their oral skills are better than the rest. But who's judging them? Not us. We'll just let them brag. Why not!

ALLIE HAZE

Yeah, I think I'm really good at giving head. After all, I've been doing it for more than ten years. I won't say when I gave my first blow job, but I don't think I was very good at it. Who is? Don't believe any woman who said she got it right the first time. For me, I think I finally got it right about five years ago. That's at least five years of sucking before that milestone. By that I mean, my techniques were pretty solid, and the guys were beginning to compliment me. To give the best blow job ever, I found that I needed to put some effort into it. Putting his cock in my mouth and simply going up and down, accomplished nothing. That is not a blow job. Slowly I learned that adding some humming or making slurping noises during a blow job actually sent vibrations through the penis which guys said they found very enjoyable. What was cool about that is how much fun you can have with it. I turned the bj into playing a musical instrument, imitating a harmonica, and trying to pucker tightly like blowing a trumpet. I would purposely not hum the tune correctly and start laughing, or tell him I have to redo it. As you can probably figure, it means that we're both having a good time.

LUCY BELLE

For me, I think I conquered the blow job when I finally was able to take it all down my throat. I discovered that deepthroating is the best bj technique ever. There is nothing like watching his face when I took the whole thing and then slowly let it out of my mouth. Then I would flick my tongue around the head and take a deep breath and go down again. I'd do that over and over again until I felt he was ready to cum and then I'd hold his cock there until he began spasming and then I would moan out loud as he shot his load straight down my throat. Then, after he pulled out, I would lick around the head and tip, and finish up with long tongue licks around my lips, showing how much I liked it, too!

ROXY JEZEL

Spit or swallow? That turned out to be the key for me. For years I would spit. Initially, it was the taste. I didn't like it. I found the stuff slimy and off-putting. But as I blew more guys, and then settled into a more monogamous relationship, I would read articles about it and try different things. I tried to control what the guys ate or drank before oral sex all in an attempt to make it taste better. Realistically, that was hard to do but if you must know, I found that if they ate or drank pineapple juice before the bj, that was the best. I would use it like a Pavlovian bell so my long time boyfriend would know I was going to blow him that night. That actually turned out to be a relationship changing situation because it really improved our sex life. Until it didn't. As our personal life began to fall apart so did the sex. But what really hit him hard when I wanted to move on was when I stopped feeding him pineapple!

LACEY DUVALLE

Do I brag about being a blow job queen? I suppose I have. Okay, I have! Why? Because I know what I can do and guys have told me so. So I've learned that it's not the blow job per se that makes me good, it's all the little stuff around it that contribute to a better bj. If I do something that can get the guy to gasp or moan, I'll try to remember and do it again. If he moans again, I make a mental note of it. Another little trick that makes my men gasp with pleasure is when I use my teeth ever so gently on the tip of their cock. I try to be sure that there's is a lot of saliva to lubricate my mouth and teeth. I'll start out by having my teeth clenched together, then glide down the head and slowly open my mouth, and then I'll close my lips around the shaft as I move downwards.

As I focus more on your penis, I'll flick my tongue as my teeth move out of the way and I start sucking on it. It's not complicated, I'll nibble on it here and there, oh, and don't forget the balls. While some men enjoy a little nibbling, there is nothing worse than the pain that can be felt from scraping teeth. There is no way to prevent it especially when you're going fast and furious. You can prevent some of the scraping by using your lips to cover your teeth as well as being aware of the position of the penis. Some scraping is going to occur so be careful, and apologize in a sexy way. That soothes it quickly. There! I feel like I've given away my secrets, but if a bj queen can use it...

CHANEL PRESTON

Well, I've learned, as any good cock-sucking gal will learn, is to pay attention to the area below the base of the penis. By that I mean that I know men love to have they balls sucked and played with. Many men feel that they don't usually get a lot of attention paid to their balls because most women think they're really not part of a blow job (technically they are not), or they'll hurt them, or plain old just don't like to do it. So I gently stroke them before going there, and suck on them by taking one into my mouth at a time, tonguing it, then moving to the other one. I like to watch him to see how much enjoyment he's derived from this attention. Then I'll my tongue and go up the vein of the cock and feel us gasp when I suck it into your mouth. They are usually helpless after that.

CHARMANE STAR

I find that while giving head, by saying things like, "You taste so good", or "You're so big", or "I love sucking your cock!" in my sexiest voice are a definite plus while giving a blow job, especially the last one. What guy wouldn't love hearing that. After all sex is aural as well as oral. But more specifically, I'm referring to verbal communication. I ask what exactly am I doing that you like or would like? "Do you like it when I do this?" or "Which way feels better for you?" No matter, what he says is points for me! So for me, communication is key in being able to give a man his best blow job ever!!!

Wishful Thinking

Marie McCray

While we've only been aware of Marie for about five or six years, it turns out she's been making movies for almost ten! Nonetheless, we became fans with the first time we saw her, and that was in the sizzling ginger-on-ginger scene with Faye Reagan. We thought you might like to see a few images from that shoot. Enjoy.

Wishful Thinking

Marie McCray

Hi Marie. It's so nice to see you in person finally instead of pictures and movies. You're beautiful, and a bit shorter than you seem in movies.

Well, thank you, I think? Please excuse me if I have to leave in a couple hours.

Oh that's no problem, We should finish well before a couple hours. So, to get started, I hadn't realized how long you have been making videos and movies. Almost ten years?

Yes, hard to believe, even for me. Time has flown by, but I've been having a great time. When I started, I was a little afraid and intimidated by the business. I hadn't had many boyfriends before I started and so dealing with a lot of cocks was hard. I didn't do that many scenes back then. I think the directors saw my hesitancy and backed off a bit. But things picked up when I stared doing girls and even more so when I made my hair even redder.

I can see where that would have been to your benefit. There weren't that many gingers doing scenes.

No, not many, and not many real redheads. When I met Faye (Reagan), we became instant friends, in the biz and out. She was also starting about the same time. Every scene I've ever done with her has always been fun.

Sexually, you're pretty versatile, I mean, you like both men and women, and from what I can tell, equally.

That's right. I do like both. But what's weird with me is that there are times I only want women and others when it's no women because I'm craving cock. I'm at the point in my career now that I can select who and when I want to work. But rarely say 'no' if I get hired to do a job.

Is all this a job for you? Or is it a lifestyle? Or do you do it because

Wishful Thinking

Marie McCray

you're turned on 24/7?

It's a little of everything. Earlier on, I was a horny lassie. After I got over my fears, I was like a fuck bunny. As time went on, I kinda hung out with people in the business because I didn't have a boyfriend or girlfriend and they were a 'safe' group. I didn't have to explain anything, and there was no sexual pressure to fuck because we did it during the day.

And got paid for it.

Oh yeah! I like that part of it. I was just going to do this for a couple years and save some money for college. But as I started to work more, I liked what money could buy. I've saved, but I've also acquired some things I couldn't. I'm not going to do this forever so for now I'm saving a little and I'm living a lot.

That's great. I'm sure we've both seen what this occupation can do to people. You seem to have handled it well. But tell me about what turns you on, besides money.

(She laughs...) In my professional life, I'm liking just about everything I do. I like licking pussy and sucking cock. I like plastic in my pussy as well as a hard fleshy cock. I like a woman's tongue as much as, no more, than a man's. I even tried a little bondage.

Yes you have. I recently watched some of your bondage videos and they were pretty amazing. There were a few with you as a blonde and I had to rub my eyes to see that it was you.

(Laughs again) Yes, that was me as a blonde. I had never really been one, so I though why not be one now, to do this bondage. I did not know if I would like either one. But to my surprise, I kinda liked the bondage.

And I like it too.

Well thanks. As I was saying, the bondage stuff is a little different. While there is sex, it's more about the equipment and the visual. BDSM people are into it for their own reasons and there may never be sex. It could be just suspension, whipping and tickling; stuff like that.

Do you think your fans like seeing you tied up and spanked, stuff like that?

Now that's an interesting question. A lot of fans have responded to my bondage videos, almost all positive. There were a few that thought I shouldn't humiliate myself like that. Others said they preferred me as a redhead. But almost all of them thought it was great and I looked very sexy all strung up with a ball gag in my mouth. (Laughs)

Marie, this time with you has flown by and I must say I've truly enjoyed every minute with you. You're nothing like what I imagined before meeting you. Now I can rewatch your videos with a different eye.

Well, thanks, you've been a sweetie. Anytime you want to talk again or want to come on set, just let me know.
